

The Sheriff's Ride

8 September 2018

The Sheriff of Lichfield, Mr Michael Mullarkey invites applications to ride with the Historic Lichfield Sheriff's Ride.

The ride is open to competent riders.

Entry fee is £30, all Riders must register by 31 August 2018.

The Sheriff's Ride Tradition

The unique tradition of the Sheriff's Ride dates from Queen Mary's Charter of 1553 in which Lichfield was separated from Staffordshire and made a 'City and County' with a right to appoint its own Sheriff.

The Charter commanded the Sheriff to make a complete perambulation of the City boundary each September; a tradition, which has been upheld to this day.
